Hi-Cube

Hi-Cube

你的灵动空间

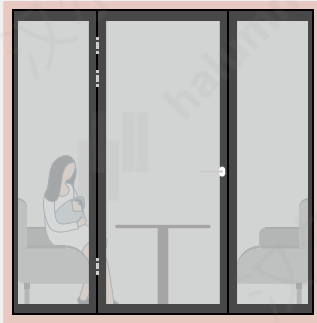

Hi-Cube采用简单舒适的设计理念来打造您的私密空间,为现代开放的办公场所提供了完美的隐私解决方案,它能提高您的效率,让您充分享受您的工作与生活。

***Hi Cube is your private space created with simple and comfortable design concept.
When in an open noisy space, do you want a quiet and private space to answer
your phone? halumm Hi-Cube was designed for solving privacy issues in open space.
It enable you to be more productive, and enjoy effective work and happy life.***

应用场景 APPLICATION

Hi-Cube为私密空间提供一站式解决方案。

Hi - Cube, provides one stop solution for private space. As your private space it may have different applications.

母婴 M-BABY CARE

温暖的亲子时间, 享受此刻的温馨
A protective space for mother breastfeeding and breast-pumping.
Safe and Private.

吸烟 M-SMOKING

完善的通风系统, 清新空气伴您左右
A private space united with Ventilation system,
protects others from passive smoking.

会议 M-MEETING

高效工作, 您的小型头脑风暴会议场所
A conducive working space and a small meeting room
for brainstorming in teams.

休闲 M-CAFE

悠然的宁静时光, 工作之余放松自己
A mute space for reading and resting.
Having coffee and relaxing freely after busy work.

隔音&防火 MUTE & SAFE

Hi-Cube是模块化安装的产品,结构安全稳定。产品附加吸音材料,如蜂窝板和吸音板,另有防火钢板,使得空间同时达到静音和安全。

同时,Hi-Cube人性化的设计不仅可以防止外面的人听到您的隐私,还能确保您能听到外面的声音,不会错过重要信息。

Derives from partition system, halumm Hi-Cube is safe and steady. Sound-absorbing materials, such as honeycomb boards and acoustic panels, and fireproof steel panels make space mute and safe.

Meanwhile, its humanized design will not only prevent people from overhearing your conversation clearly, but make sure you can hear the sounds from outside and any important moment won't be missed.

舒适 COMFORTABLE

我们相信您的舒适才是关键，halumm Hi-Cube将新风系统和人体工程学原理融为一体，旨在为您提供轻松舒适的小空间。

We believe that your comfort is the key point. Taking color matching, function and humanized devices into consideration, halumm Hi-Cube is designed to offer you a relaxing and comfortable space.

完善的新风系统，空气从上到下流通，形成一个正压环境，让您远离狭小空间的压迫感，时刻保持空气清新。

根据人体工程学原理精心设计的高脚座椅、插座面板、空间高度，最大程度提升客户的体验舒适性。

Effective ventilation system helps expands the sense of space in small space. The air comes from top to bottom and creates a positive pressure environment.

The stool, socket and size of pod are all designed ergonomically which improves comfort.

可替换国标/美标/欧标/英标电源
American(UL), British, European are all available

便捷&高效 EASY & FAST

高度完成的模块化面板设计, 使您远离复杂的组装过程。Hi-Cube 可以方便快捷地组装。预先设置的孔可以减少装配时发生错误的可能性。高立方体底部有浇注料, 移动方便, 适用于各种领域。

Highly finished modular panel design take you away from complex process of assembling. halumm Hi-Cube can be assembled easily and fast.
